

## Fifth Grade Supply List

### **2 Inch, plastic covered, durable three-ring binder**

NO cloth, padding, pleaded folders or zippers. These are too big to fit in their backpacks. Try to get a binder without pockets on the inside cover. If you cannot find one, please remove the pocket(s) with a box cutter or scissors. The teachers will be removing these pockets so the inside cover is not used. Pockets are too often used as a place to stuff papers. We will be teaching the students how to use their binder as a filing system. Pockets cannot be used.
